## STRATEGIC PARTNERSHIP WITH MOHR

At VQT, we are excited to collaborate with MOHR, a leading cloud-based HRMS tailored for the Middle East and North Africa. By integrating MOHR's powerful workforce management capabilities—ranging from attendance tracking, payroll, performance evaluation, and governmental compliance—with VQT's technology-driven quality management systems, we deliver seamless, end-to-end operational excellence. This partnership ensures that our clients benefit from unmatched efficiency, advanced digital workflows, and reliable HR management—all under one unified ecosystem.
